Dear Families, Staff, Students and Friends

I would like to extend a warm welcome to everyone as we begin a new year together at St Therese. I hope that you have all had a restful and enjoyable break with families and friends.

We welcome your presence at school, and encourage you to be active partners in the education of your children. We particularly welcome our new families and students and 77 new Prep children as well as new teachers Leigh Kentish, Marty Umanski, Patrick Delahunty, Ruth Hanns, Georgia Hutchins and Irene Wiffen who is returning from maternity leave.

As we start a new year together, there are many who are new and many who will experience something that is new, this could be new roles, being in a new place or being challenged by new perspectives. A new year brings with it new opportunities, new friendships, new colleagues, new beginnings, enhanced with the warmth of welcome and hospitality. Each of us is called to be open in both mind and spirit to the endless possibilities ahead.

Thank you to the staff of St Therese for their preparation, ensuring that the start of the year has been so smooth and a welcoming experience for the families and students. Thank you also to the Parents and Friends for organising the morning tea for the new families on the first day of school.

Prayer for the Beginning of the School Year

“Dear Lord, as we begin this new school year, we gather once again as your community of believers. We thank you for the energy and the spirit that you renewed in us through the summer months. We thank you for the time to enjoy our family and friends and to reflect on what is important in our lives. Let this year be marked by enthusiasm and love so that, with the inspiration of your Spirit, we may continue to grow in our faith. Help us to fulfil Your hope for us with honest intentions and works of faith. Let us be gentle with ourselves and bring laughter, joy and love to others. We ask this in your name. Amen.”
Beginning of Year Mass:
Our St Therese Beginning of School Year Mass will be held next Wednesday Feb 15 at 10am at St Therese Church. All students from Yr 1-6 will be present. At the Beginning of School Year Mass, we will be presenting the Year 6 Leadership badges.

5 Secrets - to develop confidence and resilience
I'm sure those that were in attendance last night would speak highly of the presentation from Georgina Manning. As a school we are committed to ensuring a strong sense of wellbeing in students. The staff have identified Student Wellbeing as a clear priority and will be providing similar Parent information sessions this year though our engagement with “Project Thrive”.( http://www.projectthrive.com.au/)

Below is a link for Georgiana's presentation that I would encourage all parents to read.

“St Therese school has established a warm and welcoming environment based on a whole school commitment to student wellbeing.”

Our job:
• Train our children to deal with things when they go wrong
• Not to save them
• Not to solve problems from them – just coach!
• Teach them to have a go at new things & not avoid difficulties
  • Teach them to not be afraid of life
  • Let them get up themselves when they fall
• Give them space to make mistakes – lots of learning opportunities
  • Not to hover, but coach from the sidelines
• Don’t steal their important moments of experiencing failure
  • Teach them to be as independent as possible
  • Clear boundaries – it’s ok to say no

Munch Day:
Some important points to remember:
● Ensure your child’s year level and colour are on their profile
● Don’t forget to click ‘Submit Order’ (some children have missed out on lunch for forgetting this step) when you have finished
● Double check the date you are ordering for
● There are two sizes of some items ie. pies and sausage rolls
● Check the box to receive confirmation by email to make certain your order went through

These small steps ensure your child receives their correct lunch order.

PTO-Student Led Learning Conversations:
Parents are now able to obtain their login passwords via email to book with their child’s teacher. Go to the link on our website (click More under Student Led Learning Conversations (PTO) -On-Line Booking on the home page) and enter your email address and the password will be emailed to you. If you have any problems contact the office.

Parent Education Evening: Thursday February 23
Once again we are offering an opportunity for parents to select an area of the school to spend the first half hour of the evening. During this time, teachers will offer insight into the workings of that particular level of the school. Areas such as
approaches to learning and teaching, the importance of partnerships with parents and students, as well as some detail around the day to day functioning of the year levels will be addressed. The second half hour will enable parents to wander and talk with staff from other areas of the school. A parent who has children across different levels of the school can select an area to focus on, whilst still being able to touch base with other areas of the schools that they may have other children in.

We would encourage a parent from each family to attend the evening as it will create an opportunity for parents to touch base with and be informed about their children’s education. It will also allow for parents to put a face to a name in regard to teachers in the learning communities.

Please place this date in your diary as it one of the extra-curricular activities that will be offered this term.

**School Closure Day:**
On Friday March 17 Staff will be involved in a day related to Positive Education. There will be no school for students on this day.

**Before and after school:**
A reminder to families that students should not be in the school ground before 8.30am each morning and after 3.45pm without parental supervision. Supervision is available from 8.30am in the morning and until 3.45pm after school. Supervision is available through Camp Australia (OSHC) outside these time.

**Works over the school holidays:**
The school was a very busy place over the holidays, with lots of projects completed. These included:
Completion of grounds works on the school oval. Thanks to the Norris Group for their work completing their part of the project prior to the due date. (Anticipated completion date of the Astro turf, week 4).
Completion of car park. (Once again thanks to the Norris Group)
New carpet in prep area.
Fencing near the staff room and around the enviro garden area, grass near the basketball court. Thanks to Gerard McCarthy for his great work coordinating this over the holidays.
Removal of dangerous trees near the main front entrance gate.
New footpath at Hall entrance gate. Many thanks to Stu Richardson for giving up his time and resources to complete this project for the school.
Enrolments process for the Lisieux Catholic School in Torquay North:
To ensure that we can plan for the opening of the new school, it is important that we have an exact student number attending. Student numbers will impact on staffing resources and facilities. An accurate student enrolment number assists us with the ongoing planning.

A number of families in the grade 3 - 6 for 2018 that are zoned in the Lisieux catchment area, have indicated through an expression of interest that they will attend Lisieux. A new enrolment forms needs to be completed so student information can be transferred to the new school. These can be collected from the school office or via email. Enrolment forms can also be downloaded from the Lisieux website: lisieux.catholic.edu.au

Our current prep and grade 1 students in the Lisieux catchment area that don’t have siblings in grade 3 - 6 in 2018, also need to complete a new enrolment form.

Enrolment forms for Lisieux need to be in by Friday March 31. This will enable Lisieux to plan for 2018.

Update on our new school Lisieux in Torquay North:
Council have not been able to approve the project but we are remaining hopeful this will now occur on 28 February. Two objectors as well as council have raised concerns over the matter of a single road frontage to the site. This is not unusual for a project of this size and there is usually a solution to all these matters.

The steering committee are having a significant number of meetings with the highest level of Council to work through their concerns. While the delay in approval is not ideal, the aim is to commence construction at the end of March and be completed ready for the 2018 school year.

St. Therese School Board 2017:
Our first meeting for the year will be held on Tuesday February 28 at 7.00pm in the staff room

The School Board members for 2018 are:

LITERACY NEWS:
Welcome to 2017! We are lucky to have an extensive range of books in each Learning Community at St Therese, as well as access to one of the best regional libraries in Australia at Torquay and Geelong.
This year, libraries in Victoria are inviting families with preschool children to join in their 1000 Books Before School Program to ensure each child is ready to read and write when they attend school.
Sharing stories with babies and young children for just 10 minutes each day provides them with a significant increase in their readiness for school and helps to develop important literacy skills and a lifelong love of reading.
Please read the information on the link to begin your reading challenge. And remember it’s never too late to start reading to your children.

Sports News:

St Therese Athletics Day and Cross Country
Term 1 at St Therese is always a busy term for sports and again two of our major sporting events are taking place in Term 1 this year.

St Therese School Athletics Day
On Tuesday 28 February, all students will be travelling by bus to Landy Field, South Geelong to participate in a range of events as a part of our annual St Therese Athletics Day. We hope to start events at 10:00am and the last events should be finished at around 2:15. A more detailed timetable will be sent to you via CareMonkey in the coming weeks. It is always great to see so many parents, relatives and friends come and support the children at this event, so we welcome you to do the same again this year.

St Therese School Cross Country
On Tuesday 28 March, all students will again travel by bus, this time down to Torquay Main Beach, to participate in the annual St Therese Cross Country Day. Students will complete over distances ranging from 500m to a gruelling 3km all over a challenging sandy course. It is always a good day and a great venue to watch and support the students, so again we would love to see as many parents, relatives and friends down at the beach as possible. The Prep students will be the first students to compete this year and we hope to begin their race at 10:00. The final event of the day will be the 12 and 13 Year old girls and boys will conclude the day. A more detailed timetable will be released prior to the event.

Geelong North and Bellarine Division Primary Schools Swimming Championships
On Wednesday March 15, the Geelong North and Bellarine Division Primary Schools Swimming Championships will be held at the Kardinia Aquatic Centre. St Therese is looking for students, aged 8 or older, who are strong swimmers to represent our school at this event.

Unfortunately, each school can only enter two students in each event so some students may have to miss out. However, I will try to accommodate as many students as possible and if students are unable to compete in the individual events, they may be able to represent St Therese in a relay event.

We must have entries for this event submitted by the March 2. Therefore, to allow sufficient time to finalise our team, could I ask that families of students who wish to compete email me informing me of the event/s that they would like their child to compete in, their child’s age group and the accurate qualifying times that their child has recorded for each event. I need to receive this information by the February 27. For your reference, the qualifying times for the day are listed below.

**Parents and Friends Association**

Welcome back to 2017 and the start of a great new year. We warmly invite all Parents and Friends to the first 2017 Parents and Friends Committee Meeting, to be held on **Tuesday 14 February at 2pm**, in the meeting room behind the hall.

We are always a child friendly meeting so please remember you can bring along the little ones. They literally play around the room and have a lovely time together.

The P&F is a great way to be involved with the school and meet other friendly parents. We always love to welcome new faces and understand the busy nature of a family, so even if you can only help out with one thing per year, we’d love to see you. I went along to one meeting all by myself in 2015 and ended up the president! It has been a fun journey and I have made amazing friends along the way. So I’m just saying…”You never know if you don’t go”.

If you would like more information I am available to answer any questions on 0424 711110 or at kenlynheaney@gmail.com

Peaches of Torquay have been a great supporter of St Therese Catholic Primary School; annually donating the fruit for cross country, supporting our events, and as our supplier for Hot Dog Day. We are saddened to hear of their closure due a fire recently and wish them all well.

I hope to see lots of familiar faces and new faces at the meeting next week, and remember all children are welcome!
